

THANK YOU!!!

To our **11th Annual Gift for Life Block Walk** participants, volunteers, and friends, thank you for your support on *Saturday, April 29, 2017*.

Thank you for helping to raise breast cancer awareness by walking the neighborhood; for sharing literature and resource information; and for celebrating breast cancer survivorship with the members of Sisters Network Northeast Florida.

We appreciate your enthusiasm, generosity, volunteerism, and desire to make a difference!
